Every Step in Rail & Locomotives

ABOUT US

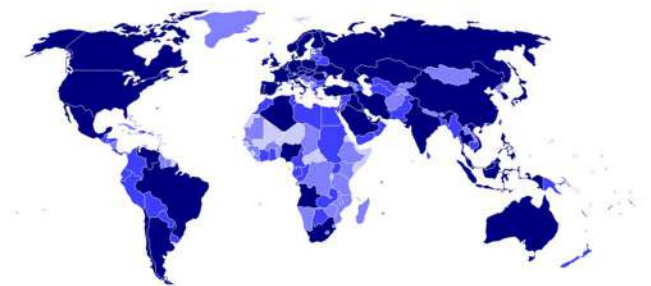

The major strength of Bence Locomotives is our ability to fast turn around time leading to significantly faster product delivery compared to our competitors. Efficient synchronization, communication and control over each process across various functions and facilities has rendered this possible.

Our staff at Bence Locomotives has over 60 years of combined knowledge and expertise in the sales and distribution of locomotive products. We constantly strive in putting that knowledge to work for you. Our products and services have earned us an impeccable reputation in the industry. We stock and distribute a large selection of new Genuine GE®, as well as aftermarket EMD® and Alco® locomotive products for Freight, Switcher and Industrial Locomotives.

WE SHIP ALL OVER THE WORLD

We stock and export quality Locomotive engine parts such as:

- Cylinder Heads & Liners
- Valves & Valves Related Parts
- Bearings & Bushes
- Piston & Piston Rings
- Oil Coolers & Radiators
- Pinion & Gears
- Camshaft Assemblies & Cam Segments
- Turbo Charger Parts & Bearings
- WABCO Compressor Parts
- Miscellaneous Engine Parts
- Locomotive & Marine Engine Valves

Every Step in Rail & Locomotives

LOCOMOTIVE PARTS AND PRODUCTS

Bence Locomotives is a global research, development and distribution company for locomotive components. Our core competency lies in EMD, G.E., and ALCO diesel engines and parts to domestic and international locomotive, rail, marine propulsion and power generation industries. Now centrally located in the heart of Mumbai,

Every Step in Rail & Locomotives

ISO 9001: 2008 & ISO 14001: 2004 CERTIFIED COMPANY

Bence Locomotives maintains the highest ratings in quality and delivery amongst the largest and most prestigious companies in the industry. We focus on providing the highest quality parts and engineering service for the short line, remanufacturing, and OEM sectors. With more than 30 years of manufacturing and logistical experience, we pride ourselves in efficient and affordable customer experience.

Every Step in Rail & Locomotives

WABCO QUALITY

You know you're getting the best when you choose WABCO. Every genuine WABCO part is made of high-grade materials and is rigorously tested by WABCO before leaving the factories. Bence Locomotives offers a wide range of WABCO Parts.

TIMELY DELIVERY

We dramatically reduces delivery times by housing thousands of components in our strategic distribution center in the heart of India.

CUSTOMER SERVICES

Customer service is the cornerstone of Bence Locomotives. Our goal is to create lasting relationships by delivering competitively priced, high quality service.

GLOBAL REPUTATION

Expect nothing less than the best in terms of selection, quality and service, without sacrificing competitive pricing or personal integrity.

SUPREME QUALITY

Our commitment to quality is evident in every aspect of our business. Our quality system is ISO 9001:2008 & ISO 14001:2004 certified

Every Step in Rail & Locomotives

GE

We bring the best of GE to India by creating technologies and innovations in India, for India.

EMD SERIES

EMD, General Motors Electro-Motive Diesel Division (now owned by Caterpillar) offers an extensive range of locomotive products in the rail industry

CAT PARTS

Bence Locomotives carries a full range of aftermarket CAT-ERPILLAR 3500 SERIES Locomotive parts.

GENUINE ALCO

Bence Locomotives currently offers an array of engine components for the ALCO series.

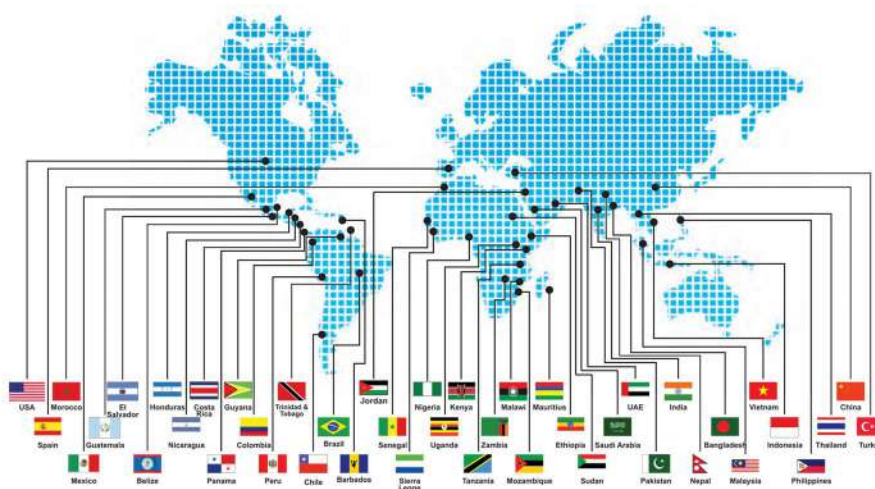

Every Step in Rail & Locomotives

OUR MISSION

- To establish a knowledgeable and experience sales staff that can work as a true partner with our customers
- Leverage regional distribution channels to deliver critical components in a timely manner.
- To maintain an engineering staff available to our customers at a moment's notice.
- Be highly responsive to our customers part needs and issues.
- Export only reliable and more cost effective locomotive engine replacement parts
- Grow through identifying better ways to serve all our international customers - big or small.
- Build relationships with our clients and forge long-lasting partnerships.

Every Step in Rail & Locomotives
